MEMORANDUM FOR:

[redacted]
Executive Assistant to the DDCI

VIA:

Executive Secretary

FROM:

J. Kenneth McDonald
Chief, History Staff

SUBJECT:

Draft Summary of Overhead Reconnaissance Monograph

25X1

1. I'll attach the draft summary of our Overhead Reconnaissance monograph by [redacted]

2. As we discussed last Friday, I would be grateful if the DDCI could find time to read the summary sometime after he returns next week. Since Mr. McMahon has had unique experience with these programs for the entire period the study covers, we would be glad to have his comments--on the margins or separately, or both.

3. I should note that this is a summary of a 548-page draft study, which still needs considerable further editing and revision. For this reason, however, Mr. McMahon's comments now will be especially valuable.

4. Many thanks.

J. Kenneth McDonald
